Family walks, for all ages. No worries about leaving a car out there, or walking back to where you left it. Your bus fare is all you pay.

Our walks are mostly on Sundays, using the City Council's "Village Link 404" bus, which covers the best walking country near Peterborough. Walk pace is varied, with stops to see local history and wildlife. Most walks finish near a pub or cafe.

Under-sixteens must come with a responsible adult. The weather never stops us, but bring sound clothing and footwear. We may adapt a walk to suit the day and company. Bring a picnic (or see below).
